I am interested in helping with:

() Yankee Candle Fundraiser

- A fundraiser in February that typically nets the PTO \$3,000.

() Literacy Night

- Help coordinate and sort the book donations in February and March and prepare for author and illustrator visits.

() Grant Writing

- Assisting our Grant Chair in seeking opportunities for grant funding and helping to write the applications.

() April Showers Calendar Fundraiser

- A raffle fundraiser sold in March and winners announced each day in April. This fundraiser typically nets the PTO \$2-3,000.

() Back to School Supplies

- Distribute/publicize the opportunity to purchase school supply packs for Grades 2-4 in late spring; coordinate delivery of packages to classrooms in late August.

() Young Rembrandts

- Work with the provider to promote enrollment and confirm attendees; hoping to hold programs 2-3 times per year.

() 4th Grade Celebration

- Help coordinate the 4th grade BBQ by collecting lunch forms and payment; help staff the luncheon in June.

() Read-a-thon Fundraiser

- A fundraiser in April that kicks off at Literacy Night and runs for 2-3 weeks. Children are encouraged to ask for sponsors that donate based on how much they read. Readers each grade and overall classroom with most minutes receive a book (readers) and a pizza party (classroom). This fundraiser typically nets the PTO \$4,000.

() Hospitality

- The Hospitality Committee plans bi-monthly themed treats for the teachers and staff generally involving food and sweet treats! We need many parents to participate in this committee by donating items for our special appreciation days. This is one of the easiest ways to help!

() Floral Family Fun Fair

- There are many ways to be involved in the Fair. Please check below for the area in which you are interested:
 - Helping Coordinate Crafters
 - Helping Coordinate Games & Prizes
 - Helping Coordinate the Class Baskets
 - Helping Coordinate the Food
 - Helping to Solicit Auction & Raffle Donations
 - Help to Solicit Volunteers to Staff the Fair Activities

Other: Please feel free to let us know of any ideas or opportunities that you see to be involved!
